Circle your color choice for QuikTRAY™ support components.

## Multiple Drawer Support (21-1/8" high)

NOTE: Each QuikTRAY™ installation requires two sets of two pilasters, one set for each side of the cabinet. In most cases, you will need the same size for both sets. In some cases, however, the inset measurement for one side of the cabinet may be different from the other side. See ① on the enclosed measuring guide.

Qty	Description	Price per set	Total
_____	<b>T-500</b> 1" Pilaster (set of 2) 20-1/8" high with 1/4" standoff	x \$11.25 =	\$ _____
